- Sec. 4. Section 7-239 of the general statutes is repealed and the
- 359 following is substituted in lieu thereof (*Effective October 1, 2021*):
- 360 (a) The legislative body shall establish just and equitable rates or
- 361 charges for the use of the waterworks system authorized in this
- subsection, to be paid by the owner of each lot or building which is
- 363 connected with and uses such system, and may change such rates or
- 364 charges from time to time. Such rates or charges shall be sufficient in
- 365 each year for the payment of the expense of operation, repair,
- 366 replacements and maintenance of such system and for the payment of
- 367 the sums in this subsection required to be paid into the sinking fund. In
- 368 establishing such rates or charges, the legislative body shall consider

- 373 timely price signals to consumers, (3) multiyear rate plans, (4) measures
- 374 to reduce system water losses, and (5) alternative rate designs that
- promote conservation. No such rate or charge shall be established until
- after a public hearing at which all the users of the waterworks system
- and the owners of property served or to be served and others interested
- shall have an opportunity to be heard concerning such proposed rate or
- 379 charge. Notice of such hearing shall be given, at least ten days before the

date set therefor, in a newspaper having a circulation in such municipality. Such notice shall set forth a schedule of rates or charges, and a copy of the schedule of rates or charges established shall be kept on file in the office of the legislative body and in the office of the clerk of the municipality, and shall be open to inspection by the public. The rates or charges so established for any class of users or property served shall be extended to cover any additional premises thereafter served which are within the same class, without the necessity of a hearing thereon. Any change in such rates or charges may be made in the same manner in which they were established, provided, if any change is made substantially pro rata as to all classes of service, no hearing shall be required. The provisions of this section shall not apply to the sale of bottled water.

(b) If any rates or charges established pursuant to this section are not paid within thirty days after the due date, demand for such rates or charges may be made on the owner of the premises served in the manner provided in subsection (a) of section 12-155, and thereafter an alias tax warrant may be issued in the manner provided in sections 12-135 and 12-162. The rates or charges established pursuant to this section, if not paid when due, shall constitute a lien upon the premises served and a charge against the owner thereof, which lien and charge shall bear interest at the same rate as would unpaid taxes. Such a lien not released of record prior to October 1, 1993, shall not continue for more than two years unless the superintendent of the waterworks system has filed a certificate of continuation of the lien in the manner provided under section 12-174 for the continuance of tax liens, and when so continued shall be valid for fifteen years. A lien described in this section shall take precedence over all other liens or encumbrances except taxes and may be foreclosed against the lot or building served in the same manner as a lien for taxes.

(c) Any municipality, by resolution of its legislative body, may assign, for consideration, any and all liens filed by the superintendent of the waterworks system or tax collector to secure unpaid water charges as

provided under the provisions of this chapter. The consideration received by the municipality shall be negotiated between the municipality and the assignee.

(d) The assignee or assignees of such liens shall have and possess the same powers and rights at law or in equity as such municipality and municipality's tax collector would have had if the lien had not been assigned with regard to the precedence and priority of such lien, the accrual of interest and the fees and expenses of collection, except that any such assignee (1) shall not be insulated from liability for its conduct by virtue of the provisions of section 42-110c, and (2) any such assignee shall be obligated to provide a payoff statement, as defined in section 49-8a, in the same manner as a mortgagee in accordance with the requirements of section 49-10a. The assignee shall have the same rights to enforce such liens as any private party holding a lien on real property, including, but not limited to, foreclosure and a suit on the debt.

(e) No such assignment executed on or after July 1, 2022, shall be valid or enforceable unless memorialized in a contract executed by the authority and the assignee that is in writing and provides: (1) The manner in which the assignee will provide to the owner of the real property that is the subject of the assignment one or more addresses and telephone numbers that may be used for correspondence with the assignee about the debt and payment thereof; (2) the earliest and latest dates by which the assignee shall commence any foreclosure or suit on the debt or the manner for determining such dates, except as may be impacted by any payment arrangement, bankruptcy petition or other circumstance, provided in no event shall the assignee commence a foreclosure suit before one year has elapsed since the assignee's purchase of the lien; (3) the structure and rates of attorney's fees that the assignee may claim against the owner or owners of such real property in any foreclosure, suit on the debt or otherwise, and a prohibition from using as foreclosure counsel any attorney or law office that is owned by, employs or contracts with any person having an interest in such assignee; (4) confirmation that the owner of the real property for which
